## What is the “Wraparound” Process?

The Family Care Community Partnership brings community– based service providers, family members and friends together to build a stronger, brighter future for your family.

After meeting with you to assess your needs, the Family Care Community Partnership puts you, the family, in the center and wraps you with the right local services, community programs and family members and friends in an effort to craft an individualized plan.

---

*“They helped me trust when I didn’t trust anyone. I have a team of people helping me now.”*

---

## Principles of the Wraparound Process

- Family Voice and Choice
- Team-Based
- Natural Supports
- Collaboration
- Community-Based
- Culturally Competent
- Individualized
- Strengths-Based
- Persistence
