ABOUT US

Tri-County Dental and Oral Health center provides complete dental care for the whole family, from age one through adulthood.

Our staff of caring dentists, hygienists and dental assistants provide many preventive and emergency services in a family friendly and relaxed setting.

We are passionate about providing the highest standard of care in every aspect of your dental needs. We will work with you to create a treatment plan that addresses your concerns and your financial needs, while bringing you to your best dental health. We want you to love your smile!

STATE OF THE ART DENTAL CARE

Oral health can provide important clues about your overall well-being and good dental hygiene is an important part of staying healthy. At Tri-County, we offer state of the art technology and treatment options to give you the highest quality care, while keeping treatment costs affordable.

We offer convenient appointment times, with evening hours available.

REFERRALS TO PRIMARY CARE AND BEHAVIORAL HEALTH

With a collaborative relationship with Tri-County Health Center, our dental team can provide referrals to other health and behavioral health services whenever needed. Services are available under one roof, making appointments easy and efficient.
