

# Tri-County Community Action Agency WIC Program will be Closing May 31

**Effective May 31**, the WIC program located at **1126 Hartford Ave, Johnston RI** will be closing permanently. Any appointments scheduled after May 31 have been cancelled.

**We are here to help participants transition to a new WIC location.**

## Transition Options:

- **Service Transfer:** If you are currently receiving services at Tri-County, you can transfer to a nearby WIC location without needing to reapply, unless you are due for recertification.
- **Extended Recertification:** For children due for recertification, benefits will be extended automatically for an additional month to assist families during this transition.
- **Finding New Locations:** Visit [health.ri.gov/wic](https://health.ri.gov/wic) or enter your ZIP code at [signupwic.com](https://signupwic.com) to find a list of nearby WIC locations.

## Telehealth Services:

- To continue supporting our participants, telehealth appointments will be available to accommodate you during this transition period.

## Need More Help?

- For more detailed information, please contact the Tri-County Community Action Agency at **401-351-2750, X6**.
- Visit the Rhode Island Department of Health WIC program website for additional guidance and updates.
